

Idea >> Connection >> Implementation >> Impact

Our Vision:

Creating change that makes a difference in the lives of individuals and organizations.

Our Strategy:

To build partnerships among the government, nonprofit, for-profit and academic sectors that targets issues critical to the disability community and to our society.

To serve as an incubator for new ideas, strategies, initiatives and products that makes a difference.

Who We Are:

CollaborationWorks is a unique collaborative spanning the non-profit, academic and private sectors. Current members include: World Institute on Disability, PolicyWorks, San Diego State University's Interwork Institute, and ForwardWorks Consulting, LLC..

The Bottom Line:

As part of CollaborationWorks, service providers, advocates, researchers and funders have the opportunity to connect with the very best talent and to leverage resources to achieve maximum impact.

CollaborationWorks can help your organization think through, find support for, and implement special projects and initiatives that move your mission forward.
